

Bright New Futures

As part of our innovative approach to partnerships, we are working closely with the Walsall Regeneration Company, key business partners and private investors to redevelop and regenerate Walsall town centre and the other main district centres in the borough.

Exciting things are already happening and our new town centre management initiative will have a crucial role in promoting and co-ordinating activity, and acting as a catalyst for the improvement of our centres.

We are looking to appoint to two key posts, to support the newly appointed town centre manager in achieving these objectives.

Business Development Manager

£32,487 - £34,986

Ref: RS413

Your main roles will be to develop the town centre management membership scheme and to develop and oversee a programme for establishing a Business Improvement District for Walsall town centre, eventually rolling out a programme of BID development for other district centres.

You will have the initiative, flair and imagination to deliver a customer focussed service, and substantial relevant senior level working experience, ideally with a town centre management or business background. You will be qualified to degree and post graduate standard, or equivalent, in a relevant discipline.

District Centres Manager

£29,859 - £32,487

Ref: RS414

Your role will be to take particular responsibility for developing and extending the town centre management initiative to the five district centres of Aldridge, Bloxwich, Brownhills, Darlaston and Willenhall, as well as supporting the team's key objective of championing the role of Walsall town centre.

You will work closely with and support other agencies and partners in planning and securing improvements to, and good management of, the district centres, demonstrating initiative and innovation in delivering a customer focussed service.

With substantial relevant senior level working experience in a town centre management or regeneration background, you will hold a degree and post graduate qualification, or equivalent, in a relevant discipline.

These are permanent positions but, at this stage, funding is only guaranteed until 31st December 2008.

For informal enquiries please contact Bryan Pell, Head of Physical Regeneration on 01922 652522, or Richard Chadwick on 01922 652576.

To apply visit www.walsall.gov.uk/jobshop

Alternatively, telephone 01922 653377 (office hours) / 01922 653504 (24 hr answerphone) / 0845 1112910 (textphone - deaf/hearing impaired only) or SMS Text: Walsall Jobs (plus job reference followed by your name and address) to 60003. Please quote job title and reference. CVs not accepted.

Closing date: 18th October 2006.

Interview dates:

Business Development Manager: 10th November 2006.

District Centres Manager: 15th November 2006
