

Totally Truro Business Improvement District Manager* Circa £40K

*** subject to the approval of the Truro BID following the close of the ballot on 5th July 2007**

There's an exciting opportunity ahead for Cornwall's capital city if proposals to form a Business Improvement District (BID) for Truro are approved this summer.

If businesses in the city vote 'yes' to contributing 1% of their rateable value to make Truro a better place to do business, then Totally Truro will need a talented professional to deliver a £1.5 million programme of city improvements over five years starting in October 2007.

Accountable to all contributing businesses through the board of Totally Truro, a not-for-profit limited company, the successful candidate will be responsible for ensuring that the BID programme is delivered effectively, on time and within budget.

We are looking for someone who has a successful track record of managing complex projects including events, possesses excellent interpersonal skills, has experience of town centre management, marketing and promotion expertise and sound financial management skills. Experience of securing grant funding and sponsorship would be an advantage.

To apply, please telephone Dave Turner or Mel Richardson on 01872 224428 or e-mail: info@totallytruro.co.uk , for an application pack or download details from www.totallytruro.co.uk. For an informal discussion about this post, please contact Mel Richardson or Dave Turner.

Closing date for applications: Friday 1st June 2007

Interviews will be held on Thursday 21st & Friday 22nd June 2007

Appointment is subject to the BID being formally approved by ballot on 5th July 2007.

Candidates must be able to take up the post by 1st October 2007
