Our vision is for every town centre to be a vibrant, lively heart of the community, where local residents are engaged and local business inspired. You will work with the police, local traders, as well as the public, private, community and voluntary sectors, to combat crime, build services, enhance facilities and create a centre that people feel proud of. Whether you come from the public or private sector, you'll have a blend of skills. Regeneration, marketing, consultation and customer care are all important aspects of the role. You must be able to attract investment, initiate projects and lead negotiations with stakeholders, as well as bringing the delivery skills needed to make a real difference to the local area.

For informal enquiries, please contact Harold Mututa (Washwood Heath Post) on 0121 675 7582 and Richard Hulbert (Yardley Posts) on 0121 675 5492.
