

InSwindon Town Centre Business Improvement District Company

Operations Manager (eventual development to CEO role) fixed term contract until May 2012.

Salary: £28-30k rising to £35,000 within 12 months (plus bonus scheme).
Closing date for applications: Monday 21st July.

What is inSwindon?

InSwindon is the town centre management company created in May 2007 after a successful Business Improvement District Ballot.

inswindon.com

We're here to represent, coordinate and add weight to any concerns that BID businesses might have – a single, united, dedicated, independent, objective and influential voice; to the Council, the Police, other “agencies”, developers, landlords or even other businesses in the BID, to get things done on your behalf.

It's our vision

To enable Swindon Town Centre to fulfil its enormous potential as a thriving, regional business centre, by being innovative and inventive in the strategic and day-to-day management of the BID area

The Job

This is an exciting, fast track opportunity for an individual to join the company and to be trained to take over from the existing CEO who is leaving in 2009. In line with this the salary package will eventually rise to £35,000 within a 12-month period with a rewarding bonus scheme.

The successful candidate will take responsibility for delivering the BID's ambitions, leading negotiations with stakeholders and partners, influencing change and keeping the general public and partners informed. They will also take the Swindon BID forward to its next ballot in 2012.

Applicants should be educated to degree level or have equivalent or relevant business experience and have excellent communications skills, together with a good understanding of partnership working and the dynamics of how local government and the private sector operate. Experience of marketing and public relations will be required.

Applications are welcomed from experienced Town Centre Managers, or other relevant professionals, with a track record of delivery, self-motivation and proven partnership credentials.

For further information including a Job Description and Person Specification or an informal discussion please contact Mark Ross on 01793464924.
