The retail offer in Portsmouth is changing. We have a particularly strong combined retail offer delivered by the City Centre, Southsea and Gunwharf Quays.

Southsea forms a key part in that integrated offer. With £800,000 already spent and more committed for the future we are looking for a Town Centre Manager who can achieve the best for the residents and business's of the area.

Do you think you've got what it takes? If so, you will be a dynamic and effective facilitator, have outstanding communication skills and the ability to work with all interest groups, public, voluntary and private sectors. You will also have a proven track record of managing budgets and complex projects. Ideally, you will have exemplary marketing and media skills, a knowledge of the retail/property market and the ability to negotiate confidently. Previous experience as a Town Centre Manager is desirable but not essential and knowledge of BIDs, and how they work, would be useful.
