

The City of Liverpool
OUR CITY · OUR PLANET

Join the Liverpool City Council team and play a part in regenerating our world-famous city for all of the people who live and work in it. In partnership with our communities and neighbourhoods, we're working for a Liverpool that is caring and prosperous, clean and green, safe and socially thriving.

Business Improvement District Manager

£42,796 - £51,448

The above post requires a highly motivated, experienced and knowledgeable person with a proven and successful background in City Centre Management.

To take responsibility for delivering the vision, aims and objectives of the City Central BID as agreed by the Board of the BID Company.

To ensure that the work of the BID Management Team is planned, developed and co-ordinated to contribute towards the achievement of the BID's Aims and Objectives and delivering Added Value to all stakeholders of the BID.

You will need to provide evidence of successful management of a multi-functional service with experience of successful financial management, commercial awareness and business planning.

All posts advertised are subject to review as a result of job evaluation.

Closing date: 20 February 2009
