

City Centre Director

Salary from c.£63k pa
Fixed-term contract up to 31.03.2012

We're proud of Leicester city centre. With a brand new £350 million shopping and leisure development, a transformed pedestrian environment and a new state of the art theatre, there's a lot to be proud of.

There's also a new confidence in Leicester. It's the confidence of a city that knows where it's going – and that's positive about the future.

To make sure that Leicester city centre makes the most of its status as one of the best in the country, Leicester City

Council is joining forces with the private sector to appoint a City Centre Director. Reporting to a partnership board, this new post will help deliver the objectives set out in the city's 25-year plan, while capitalising on new development opportunities and preparing the city centre for future challenges.

To carry out this role, you'll need to be an exceptional leader – someone with the experience, commitment and energy to drive our new private/public sector partnership forward.

If you think you've got what it takes to turn our vision into reality, we'd like to hear from you. Call Alpine Selection on 020 7321 5643 or for more information and to apply, please go to:
