

Wanted!

Letchworth Garden City Town Centre Manager

£35,000 plus

Massive investment is transforming Letchworth Garden City Town Centre. An £8m 'Street Scene' improvement scheme is currently on site with major redevelopment starting in 2011.

Letchworth Town Centre Partnership Ltd promotes the interests of all who shop, work and invest here. It now seeks a full-time Manager to lead and deliver activities which will increase footfall.

Meeting the needs of businesses [based on regular face-to-face interaction], your immediate job will be to create and implement footfall and profit-building projects and recruit new members. To succeed, you will need all your powers of persuasion and the tenacity to get things done. Ideally, you will have experience of working in retail, sales, marketing and or event management. You'll have the full backing of a committed Board of Directors and the benefit of some

essential support services provided by key stakeholders. A basic salary of £35,000 is offered plus performance-related bonus, subject to meeting mutually agreed targets.

For a full information pack contact Alan Howard on 01462 476056 or alanhoward@letchworth.com.

The closing date for applications is 5 October.

Interviews will be held on 4 November.
