

Working together to make Staines the preferred place in which to shop, work, live & invest.

Staines Partnership Manager (Town Centre Manager)

Revised Salary - £35,000 + Performance related bonus

Staines is a vibrant Thames-side town that has enjoyed major investment in recent years, with more exciting projects in the pipeline. It can now boast a town centre that is the envy of others in the region, with two shopping centres, the Elmsleigh and Two Rivers, linked by a pedestrianised High Street, that together offer a wide choice of shops, leisure and entertainment facilities – all within a safe, high quality, accessible environment.

The Staines Partnership is a successful and dynamic local public/private partnership that is now ready to embark on the next important stage of its development. The partnership's vision for the town centre recognises that there is still a great deal of work to do to achieve Staines' full potential. Do you have what it takes to make this vision a reality?

We're now looking for a dynamic, marketing-led individual to build upon Staines' success to date. You will also possess the entrepreneurial flair and ability to develop innovative ideas for creating income streams and an expanded membership base. A target-driven individual you will relish not just achieving targets but exceeding them.

Successful partnership working will be key, so excellent communication, influencing and networking skills are a must.

An experienced individual with a strong but personable leadership style, you will be just as motivated in operating at a strategic level as being out in the town centre making a difference.

Initially the position will be offered on a two-year contract but it is anticipated that the success of the appointed Manager will ensure the position continues beyond the end of that period.

If you would like an informal discuss about this position, please contact:
