

Exmouth Town Manager

(Salary Scale - £29,010 to £31,653)

Exmouth is a beautiful Coastal Town in need of care and attention. It needs your initiative, flare and skill to drive the economy forward. Work is currently being pursued on regeneration schemes and developing the 'Evolution' Visitor Centre linked with the whole length of the Jurassic Coast World Heritage Site.

You will work with local business partners and the three Councils and other bodies, public and voluntary, to ensure the future vibrancy of the town. You will be a good listener but also have the leadership qualities and courage to take through ideas from formulation to delivery, taking others with you.

For an informal discussion contact John Wokersien on 01395 276167

Closing Date: 30th June 2006
