

# We're already on the map.

## Now make us stand out.

### Town Centre Manager

**£35,000 (negotiable) Fixed-term contract for 3 years**

Modernising our town whilst protecting its character. That's the challenge.

Wokingham brings together a desirable mix of modern market town with a fine historical legacy. A fusion that creates a pleasant environment in which to both live and work. We aim to preserve this character, whilst providing our residents with a quality retail and recreational experience. With major developments already in place, you'll be joining us at an exciting time - when you can really make a mark on the future of Wokingham.

Experience of town centre management will be essential, allied with the ability to communicate effectively at all levels. This will be combined with the natural drive, tenacity and vision required to meet our ambitions. You'll be supported and steered by a new partnership between the District Council, Town Council, Chamber of Commerce and Wokingham Society, whilst maintaining the independence to carry out your functions effectively.

For an informal discussion, please contact Paul Turrell, Deputy Chief Executive, Wokingham District Council on 0118 974 6019.

To apply immediately, please visit:
