

Planning and Economic Regeneration

City Centre Manager (maternity cover)

£29,728 - £32,436

A 20 year vision for Newport city centre aims to transform its economic and cultural profile as a dynamic and vibrant hub of the city.

Focusing on promotion and raising the profile of the city centre, you'll implement and monitor management strategies that deliver an innovative events programme, enable mechanisms for liaising with and engaging stakeholders, and fund-raising. You will work closely with the city's urban regeneration company and service providers to ensure the co-ordinated delivery of essential services within the city centre.

You will demonstrate a high degree of self-motivation and initiative, together with well-developed interpersonal skills, giving you the ability to influence and negotiate at all levels. Through personal experience, you will have an understanding of the dynamics of managing promotion and marketing strategies.

This vacancy has arisen as a result of the forthcoming absence of the permanent post holder on maternity leave. Appointment to the position will be temporary from late March 2008 and is expected to last approximately 10 months, plus some overlap working to enable effective continuity.

If you would like to make some informal enquiries about this position before applying, contact Brian Dunford on tel: (01633) 232521 or email: brian.dunford@newport.gov.uk

Application

You can print an application form and job description and job requirement via our internet site (www.newport.gov.uk/jobs) or alternatively they are available by phone on 01633 656656 or e-mail ccc@newport.gov.uk quoting the reference number below and where you saw the post advertised.

Please return completed application forms to Linda Roch, Environment & the Economy, Room 221, Newport City Council, Civic Centre, Newport, South Wales NP20 4UR.

Closing date: 1 February 2008
Reference number: PR059
