

A brand new enterprise where your influence really counts.

Winchester's an amazing place; everybody who visits here knows that. The Winchester City Centre Partnership is a new enterprise that works with local business and the public sector to spread the word about how special Winchester is as a place to shop, work, live and visit. Join us, and you'll play a part in enhancing our city even further.

Contracts and Compliance Manager
c£25K

This is a key role where you'll help revitalise our city centre. It'll involve co-ordinating and delivering management contracts, providing contract management and project management support and also being an advocate and champion for our vision of Winchester.

Some experience in town or city planning will be ideal along with a self-motivated, committed approach. You'll also be an excellent communicator with strong experience of negotiating and delivering contracts.

Business Development Manager
c£25K

You're going to co-ordinate and deliver various projects and schemes that help promote the city. So you'll be involved in all aspects of marketing, media relations and event management. Measuring performance and developing strong working relationships with the media will also form an important part of your role.

A strong background in delivering marketing projects, ideally public/private partnerships, will be important along with exceptional organisational and communication skills.

Business Development Assistant
c£15K

You'll provide valuable admin support for the entire Partnership. This will involve processing invoices, reception and customer service. Your role will also involve maintaining our resources library and also maintaining records.

Contracts and Compliance Assistant
